Experience **16 years with people**	Home base **Murcia**	Mobility **International**

Scan for the full profile

Sixteen years looking after customers and leading teams in Spain, Italy and Portugal, in retail, international operations and B2B client work. I speak Spanish, English and Italian, I stay calm when things get busy, and I trained in cabin crew basics at ESATUR. Ready to complete any training and qualification your airline requires.

Experience

2021 – 2026 — **Customer Success and customer operations**
Bodytone · Minderest
Managed up to 80 international B2B clients across countries and languages, including the company's top client, then led customer support at Bodytone: clear answers, calm under pressure, good handovers with the team.

2020 – 2021 — **Senior Content Reviewer, Wellness Ambassador**
Majorel · Lisbon
Worked in a multicultural, high-volume team for Google and YouTube, rolled out a company-wide improvement that halved errors and sped up many processes, and looked after the wellbeing of teams in Italy and Spain.

2014 – 2020 — **Store Director and Store Manager**
Solaris / MasVisión · El Corte Inglés · Mooby
No. 1 national seller for brands such as Gucci and Tom Ford and company trainer; led store teams in Madrid and Murcia: customer service, difficult situations, standards and results. Earlier, assistant manager at El Corte Inglés in Murcia (2007–10).

2011 – 2012 — **Sales Specialist**
Phard Zu Elements · Bergamo
Served customers in Italian during my Erasmus year.

2019 – 2026 — **Yoga instructor**
Mood Fitness · BodyCare Fitness
Certified in Madrid (2019). Leading groups of different levels with presence, safety and clear instructions.

Training

2015
Cabin Crew (TCP) · ESATUR
Initial TCP studies, aircraft simulator practice in Mallorca and instructor assessment.

2019
Yoga instructor certification
Madrid

2012
Bachelor's degree in Tourism
University of Bergamo, Italy · Bologna adaptation

2011
Diploma in Tourism
University of Murcia

> ESATUR training is historical (2015). It is not a currently valid aviation attestation, and I am ready to take whatever initial course and exams the airline requires.
