Studio
Multi-level classes with safe progressions. You come in, you breathe, you leave different. No theatre.

1:1
Mobility, stress, habit. One person, one criterion.

Teams
Wellbeing at work. I did it with Google and YouTube teams.

Profile

Certified instructor (Madrid, 2019) with four years leading multi-level studio classes and a stint running yoga and wellbeing programmes for Google and YouTube teams at Majorel. I teach body, breath and attention with method and warmth, and I adapt every class to the people in the room. Available for studio, one-to-one and team sessions.

Teaching experience

Apr 2022 – Jun 2026
Yoga instructor · Mood Fitness · Murcia
Designed and led multi-level studio classes focused on presence, safety and progression. The centre closed after a change of ownership in June 2026.

2020 – 2021
Wellness Ambassador, corporate yoga · Majorel · Google / YouTube
Ran yoga and wellbeing programmes for IT and Spanish-market teams inside a global operations environment: stress, habit and group facilitation.

2019 – 2022
Personal instructor · Private classes
One-to-one sessions adapted to mobility, stress, consistency and technique. Earlier at BodyCare Fitness, Madrid (2019–20).

2016 – 2019
Kung Fu Shaolin · Shaolin Temple
Discipline, presence and consistency: the physical base before the studio.

Also building
a guided-practice web app: breath, movement and meditation sessions, with a quiet mode. In development.
